Dear Sir:

The American Journal of Numismatics is no longer being published. I enclose a list of our 'Notes and Monographs'. Associate members receive these as a partial return for their dues, and the annual issues usually total more than the \$5.00 dues in value. If you care to consider becoming an Associate member, I shall be glad to present your name. Failing that, we shall be glad to have your order for any of these monographs.

Very truly yours,

Secretary
